*SAN GABRIEL AREA NEIGHBORHOOD ASSOCIATION JANUARY 2005*

---

**Greetings** from the recently elected Board of Directors of your San Gabriel Area Neighborhood Association. As most of you know Carl and Jean Chavez, who formerly served as co-presidents of the Association, moved from our neighborhood this past year and can no longer serve on the board. Additionally autumn is the time of year when elections are held and some other people have resigned their posts. Debbie Chavira, who has served as Treasurer and Events Chair and Joan Reynolds, who has served as Secretary and Welcome Chair are relinquishing their positions. Their dedication, unstinting generosity and their smiling faces have been part of the Association for several years. All will be deeply missed. Many thanks, Debbie and Joan, as well as to Carl and Jean, and all committee members, for their superb efforts.

## Thank you!

### **Presenters at November's meeting**

Dr. Jamie Morley, Program Coordinator for Health Occupations at TVI gave an interesting presentation on some of the many courses available at the Montoya campus. Disaster training and eldercare are some of the options available. Some of the courses are cost free to participants. She can be reached at 505-224-5220 for further information. Stephanie Wiebe, from the Foothills Command of the APD, gave a timely talk on safety at home and while out doing holiday shopping. Leaving ones garage door opener on the visor, and vehicle registration in the glove compartment gives thieves easy access to ones home and all its contents. Keep your car in the garage if at all possible, or at least in the driveway. Make sure your property is well lit and outside doors are secured with dead bolt locks. Keep windows locked and maintain the yard and shrubbery so that the property looks "lived in" and would-be thieves don't have places to hide when preparing to break in.
