

1993 Masters Series

Each event starts at 9:00 am except the Las Cruces RR, which starts at 11:00 am.

For each event, there will be three races as follows:

Race	A	B	C
Age	30+ Men	30+ Women, 40+ Men	30+
Categories	1,2,3,4	1,2,3,4	5 & Citizen

Older riders may ride and accumulate points in a younger age group, but not vice versa. Cat 1-3 Women may ride and accumulate points in the A race. Overall series championship scoring will be as last year; i.e. total points available for each race will be determined by the total number of entrants in each race. 1st place will receive the total number of points (n), 2nd place n-1 points, etc. DNFs receive 0 points. Points will be accumulated by age group for each race ridden; e.g. if you are 50 and finish 4 A races and 4 B races, you will have points in both series. At the end of the series there will be recognition for series championships in twelve classes based on gender, age, and category as follows:

	30+	30-39	40-49	50+
Cat. 1-4	Unisex	Women	Men & Women	Men & Women
Cat. 5 & Citizen		Men & Women	Men & Women	Men & Women

The entry fee for the series is \$50 if preregistered by April 22nd. Entry fee for each individual event is \$10 if received by the Thursday prior to that event. Entries on event day are \$15 and registration will close 1 hour prior to the event start. Use the Standard Athlete's Entry Blank & Release Form (page 134 in your Rulebook) to preregister for the series or individual events. A separate release form is required for each event (sorry, USCF rules). To expedite sign-in and registration on race day, each rider should bring a completed release form to each event.
