

**Budapest:** Those Sioux-like Indians are playing Peruvian music!

**Poland:** Krakow and Wroclaw

**Vienna:** Slovak Dancers, the Donau, and a Sphinx at Belvedere

**Seasons Greetings.** We're trying to be a bit more retired these days, and traveling more. We also went to Mexico in the spring, but unfortunately I lost those pictures when I installed Linux over that hard drive. WhistleSoft, our company, will be closed down at the end of the year. Still playing squash and hiking and skiing.
