### About Connie Cleveland

Connie Cleveland founded the Dog Trainers Workshop in 1990, based on more than 20 years of dog training experience.

She currently sees 150 owners with their dogs each week in the obedience class program, teaching them how to have a better behaved pet, and coaching many to perform in obedience competitions. Using a balanced approach of motivation and correction, hundreds of students have earned obedience titles.

Connie's own obedience experiences include eight Obedience Trial Champions, a UDT Maltese as well as a CDX Shih Tzu and Miniature Pincher. Connie Cleveland is much in demand as a seminar instructor throughout the United States. She has traveled to South America and Japan to share her expertise with other training groups. Connie says, "I love training dogs, I love obedience, and I love solving problems, whether they are from a pet owner or fellow competitor." She enjoys helping owners understand that dog training can make sense. **“Dogs can be required to work, problems can be solved, and obedience training can be fun for everybody (you and your dog) without sacrificing quality of performance.”**
